

**SAE FALL 2011 ACADEMIC
CAMP & ENRICHMENT CAMP**
OCT. 25TH - NOV. 4TH

The mission of Springfield Academy of Excellence is to provide education in a nurturing environment that focuses on the development of the whole child. Emphasis is placed on academic achievement as well as physical, psychological, social, and ethical development.

**WHAT IS THE DIFFERENCE BETWEEN ACADEMIC
CAMP AND ENRICHMENT CAMP?**

Academic Camp is for Reading & Math Intervention

- Each trimester all students are tested on state indicators in reading & math. Students scoring in the lowest quintile (20%) are invited to Academic Camp for extra time and alternate methods to become proficient in the current trimesters indicators. When extra seats are available, students who could benefit from intervention are invited.
- Test scores & Camp invitations are sent home via student backpacks the last week of the trimester.
- Students are retested at the end of camp to measure their growth.
- Limited transportation will be provided. Call the school to be considered for one of the 13 available spots. The school will call to confirm selection.
- FREE breakfast and lunch provided.
- Fall Camp is Oct. 25—Nov. 4th; 8:30 am—12:30 pm

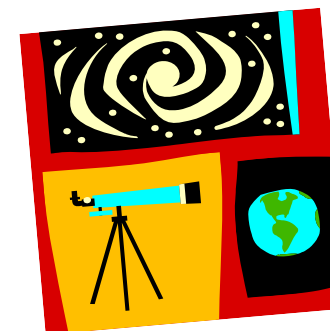

Enrichment Camp is for Inspiration

- Special workshops are offered to provide challenge and inspire students in areas of their aptitude and interests.
- No transportation provided by SAE.
- FREE breakfast and/or lunch provided depending on time of workshop.
- Registration is first come, first serve basis. Call 325-0933 or stop by to register beginning Feb. 22nd.
- If your child is invited to Academic Camp, he/she may only register for workshops that do not conflict with the hours of Academic Camp.
- Some workshops may require a small fee. All fees must be paid ahead or brought to the instructor at the opening of the workshop.
- Enrichment workshops could be held on a weekday or weekend. Workshops are usually scheduled between 8:30 and 3:00 on weekdays unless otherwise noted in the course description.
